The respondents (employers) rated the MBA graduates and students in the workplace representing accredited Business Schools across 20 attributes/criteria (on a scale of 0.00 – 10.00; where 0.00 = poor, 5.00 = average and 10.00 = outstanding), namely:

- Academic knowledge
- Application of knowledge in the workplace
- Communication skills/abilities
- Emotional intelligence
- Entrepreneurial skills/capacity/abilities
- Environmental awareness
- Ethical business conduct
- Financial management
- Future oriented (able to make long-term decisions)
- Human resource management
- Implementation of corporate governance
- Information management
- Innovation
- Insight into sound sustainable development
- International perspective
- Leadership skills/abilities
- Marketing management
- Operational management
- Quantitative abilities/skills
- Strategic management

The ratings are based on the perceptions of the respondents.

How the survey was conducted:

Universe: Listed and large companies, national, provincial and local government departments/ municipalities and State Owned Enterprises in South Africa that employ MBA graduates and students.

Timing: Interviews were conducted during April and May 2019.

Sample: Random national sample of 300 respondents comprising of human resource directors/managers and line managers.

Methodology: Interviews were carried out telephonically utilising semi-structured questionnaires. Back-checks were conducted at all stages of the fieldwork.
